AUTUMN TERM 1 2023-2024
DEPTFORD GREEN ENRICHMENT
#BEGREAT

Enrichment Autumn Term 1 2023

Please, see the first instalment of our enrichment Programme 2023-2024.

This is an exciting opportunity for all students at Deptford Green School to engage in a variety of activities beyond the curriculum to discover and explore their interests and passions, to develop their skills, to make new friendships and to dream.

The Enrichment Programme at Deptford Green School is designed to support all students to develop **Leadership, Organisation, Resilience, Independence and Communication** , in line with our **GREAT values of Growth, Respect, Equality, Accountability and Togetherness**.

We expect all students at Deptford Green to take up all opportunities offered in and out of the classroom, whether it is an after-school club, a trip to visit a university or to represent the school in a Football game, all students should **participate in at least 10 hours of Enrichment each academic year**. We will celebrate students' engagement in the enrichment programme and share participation with parents and carers.

We have laid out our current enrichment opportunities in 4 categories that all promote students' personal development and future success.

❖ **Aspire & Careers:**

Explore an academic subject in more depth. Develop curiosity, critical thinking and communication. Shape your success and practice the careers management skills you need to make progress now and in the future.

Leadership- Resilience- Organisation- Independence

❖ **Active & Wellbeing:**

Physical fitness and a healthy lifestyle are important to maintain your mental health and well-being.

Togetherness- Leadership- Accountability- Respect.

❖ **Creative:**

Deptford Green School students have an incredible wealth of talents in visual and performing arts and we want to showcase them. Having the opportunity to participate in Art is also very good for mental health and for your future professional success.

Growth- Togetherness- Independence- Communication

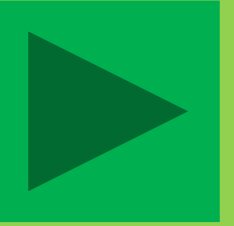

❖ **Community:**

Do you want to improve your community? Are you passionate about equality and justice ?

Communication- Equality- Respect- Accountability

Take the time to look at the timetable, choose an activity and enjoy!

BE GREAT- Explore-Dream-Discover!

Morning, Break,
Lunch and After
School.
Spaces for you to
access at Deptford
Green School

The Library is on the ground floor and is open every day to all year groups from 8:15, at break, lunch and after school until 17:00.

Students can read for pleasure and revise.
Laptops are available.

Ms Walker

The EAL Club is open every day to all year groups during break and lunch in the EAL Base on the 2nd floor.

Students can access support and laptops to do their homework and can also socialise, read, play interactive games and eat their lunch.

Ms Fernandez and Mr Almeida

The Careers Hub is opposite the library on the ground floor.

It is open every day to all year groups at break, lunch and after school until 17:00.

Students can access support for anything linked to research, preparation and applications to colleges, sixth forms, apprenticeships and universities and work experience and employment.

Come in if you have any questions about careers trips and activities or enrichment and after school clubs.

You can also play chess and card and board games, revise and socialise.

Ms Nembhard

What to do next?

- Look carefully at the timetable.
 - What would you like to do?
 - Try something new!
 - For clubs open to all, go to the location on the day and talk to the teacher running the club.
 - For club that require sign up talk to Ms Nembhard in the careers hub or to the teacher running the club.
 - Have fun, #BEGREAT
- If you have any questions, contact Ms Nembhard on 0208 469 4896 or at cnembhard@deptfordgreen.co.uk

Parents- Please complete the form on this link to support our planning:
