

LORIC IN BUSINESS STUDIES

Leadership

- I lead group-work and problem solving activities
- I model solutions and help others solve to problem
- I encourage the right behaviour in others
- I take ownership over my own learning and complete extension work
- I can share knowledge and skills and model for others

Organisation

- I meet class work and home work deadlines
- I keep my files and work well organised and well presented with titles, date etc
- I always have a full set of equipment
- I catch up on work that I have missed

Resilience

- I can work independently
- I have a growth mindset
- I break down difficult tasks into manageable chunks
- I am able to focus on a task for long periods of time without getting distracted
- I seek out different ways to solve problems no matter how challenging they are

Initiative

- I ask questions that will help me learn more about the topic
- I can research topics in advance to develop knowledge and understanding
- I can find solutions to problems and then share them with the class

Communication

- I use subject specific language in explanations (verbal and written)
- I can listen others and give good feedback
- I willingly contribute my ideas to class discussion and group work
- I actively listen to whomever is speaking
- I teach other students skills and knowledge

Reading

- I read aloud in class

-I read in the transitions between lessons

-I have read a book and completed an AR quiz

-I have read for homework

Numeracy

- I can problem solve

-I can multiply and divide mentally

-I always choose the best method

-I can break things down into manageable tasks
