

# LORIC IN COMPUTING

 <b>Leadership</b>	 <b>Organisation</b>	 <b>Resilience</b>	 <b>Initiative</b>	 <b>Communication</b>
<ul style="list-style-type: none"> <li>I lead group-work and problem solving activities</li> <li>I model solutions and help others solve to problem</li> <li>I encourage the right behaviour in others</li> <li>I take ownership over my own learning and complete extension work</li> <li>I can share knowledge and skills and model for others</li> </ul>	<ul style="list-style-type: none"> <li>I meet class work and home work deadlines and submit work through teams</li> <li>I keep my files and work well organised and presented with titles, date etc</li> <li>I always have a full set of equipment</li> <li>I catch up on work that I have missed</li> </ul>	<ul style="list-style-type: none"> <li>I can work independently</li> <li>I have a growth mindset</li> <li>I break down difficult programming tasks into manageable chunks</li> <li>I am able to focus on a task for long periods of time without getting distracted</li> <li>I seek out different ways to solve problems no matter how challenging they are</li> </ul>	<ul style="list-style-type: none"> <li>I ask questions that will help me learn more about the topic</li> <li>I can research topics in advance to develop knowledge and understanding</li> <li>I can find solutions to problems and then share them with the class</li> <li>I use the internet to find information and solutions</li> </ul>	<ul style="list-style-type: none"> <li>I use subject specific language in explanations (verbal and written)</li> <li>I can listen others and give good feedback</li> <li>I willingly contribute my ideas to class discussion and group work</li> <li>I actively listen to whomever is speaking</li> <li>I teach other students skills and knowledge</li> <li>I can demonstrate different ways to solve problems using Maths specific language</li> </ul>

## **Reading**

- I read aloud in class
- I read in the transitions between lessons
- I have read a book and completed an AR quiz
- I have read for homework

## **Numeracy**

- I can problem solve
- I can multiply and divide mentally
- I always choose the best method
- I can break things down into manageable tasks
