

# LORIC IN MATHS

 <b>Leadership</b>	 <b>Organisation</b>	 <b>Resilience</b>	 <b>Initiative</b>	 <b>Communication</b>
<ul style="list-style-type: none"> <li>I lead group-work</li> <li>I model solutions to the whole class</li> <li>I encourage the right behaviour in others</li> <li>I take ownership over my own learning and complete extension work</li> <li>I can share knowledge and skills and model for others</li> </ul>	<ul style="list-style-type: none"> <li>I complete the starter activity</li> <li>I keep my book well organised and presented with titles, date etc</li> <li>I always have a full set of equipment</li> <li>I catch up on work that I have missed</li> <li>I present my notes and written work neatly</li> </ul>	<ul style="list-style-type: none"> <li>I can work independently</li> <li>I want to be challenged and I am not afraid to make mistakes</li> <li>I am able to focus on a task for long periods of time without getting distracted</li> <li>I seek out different ways to resolve problems no matter how challenging they are</li> </ul>	<ul style="list-style-type: none"> <li>I ask questions that will help me learn more about the topic</li> <li>I can start discussions on a topic without waiting for the teacher</li> <li>I can find solutions to problems and then share them with the class</li> <li>I make links and connections between different topics</li> </ul>	<ul style="list-style-type: none"> <li>I use subject specific language</li> <li>I can listen others and give developmental feedback</li> <li>I willingly contribute my ideas to class discussion and group work</li> <li>I actively listen to whomever is speaking</li> <li>I can demonstrate different ways to solve problems using Maths specific language</li> </ul>

## Reading

- I read aloud in class

- I read in the transitions between lessons

- I have read a book and completed an AR quiz

- I have read for homework

## Numeracy

- I can problem solve

- I can multiply and divide mentally

- I always choose the best method

- I can break things down into manageable tasks
