

# Deptford Green School

## Year 7 Literacy and Numeracy Catch Up

**Academic Year 2017-18 – Funding Total £18,965**

| Intervention         | Brief Outline  | Approximate Cost |
|----------------------|--|------------------|
| Ruth Miskin Literacy | Deptford Green uses Ruth Miskin – trained teachers to deliver programmes which help to improve the literacy, reading age and spelling of students who enter the school with less than the required minimum standards. This intervention requires 1 hour per day, and in 2017-18 this was achieved through withdrawal from mainstream English Lessons   | £5,600           |
| Accelerated Reader   | Accelerated Reader, or AR, is a learning platform that enables online reading comprehension through assessment and quizzes. It provides focus to year 7 & 8 year library lessons with the addition of selected lower ability/EAL/SEND students from older year groups. It provides Reading Age, National Curriculum Level –(Reading) and Scaled Scores to determine suitable book levels to ensure reading progression. It also provides detailed analysis of student comprehension/reading ability for teachers and also has a Home Connect facility where parents can access their child’s reading choices and quiz successes. | £5,700           |
| Maths HLTA           | Our Maths HLTA works in small withdrawal groups (1 to 1 or 2 to 1) and also in lessons to support the learning of those students who enter the school below expected standards   | £2,000           |
| Setting in Maths     | We set in maths in year 7, which reduces the class size in the bottom set to 17, compared to the average class size of 26, which allows for more tailored approaches for our low prior attainers   | 5,700            |
|                      | <b>Total Cost</b>  | <b>£19,000</b>   |

**Impact:**

Percentage of Low Prior Attainment students not reaching expected progress in English

|             |             |
|-------------|-------------|
| Spring 2018 | Summer 2018 |
| 61%         | 20%         |

Percentage of Low Prior Attainment students not reaching expected progress in Maths

|             |             |             |             |
|-------------|-------------|-------------|-------------|
| Set 7       |             | Set 6       |             |
| Spring 2018 | Summer 2018 | Spring 2018 | Summer 2018 |
| 18          | 12          | 25          | 9           |

**Academic Year 2018-19 – Funding Total £18,255**
