

# LORIC IN SOCIOLOGY

## Leadership

- I lead group-work
- I model excellent written work for others
- I actively help others with work and revision
- I encourage the right behaviour in others
- I deliver good presentations to my class
- I can lead a team through a structured debate

## Organisation

- I always bring my homework in on time
- I keep all my notes and sheets organised in my book
- I present my notes and written work neatly, in a way that will help me use them for revision
- I use my book in lessons to help with me with my work
- I revise effectively for assessments and exams

## Resilience

- I always spend time trying to work things out and don't give up!
- I try to use new vocabulary every lesson
- I always improve my work by responding to feedback
- I push myself to do more than the minimum, especially in longer written tasks
- I know my targets and am working on them every lesson

## Initiative

- I ask questions that will help me learn more about the topic
- I do research in advance
- I can offer personal examples
- I make links and connections between different topics

## Communication

- I willingly contribute my ideas to class discussion and group work
- I use formal, Standard English in my discussions and written work
- I use subject specific words and new vocabulary in my work
- I can challenge the views of others and justify my opinion
- I can adjust my communication for different tasks, like presentations and debates

## Reading

- I read aloud in class

- I read in the transitions between lessons

- I have read a book and completed an AR quiz

- I have read for homework

## Numeracy

- I can problem solve

- I can multiply and divide mentally

- I always choose the best method

- I can break things down into manageable tasks

- I can break things down into manageable tasks
