Dear Parents/Carers,

Subject: School Meal Price Increase from 24th February 2025

Due to rising food costs associated with the provision of school meals, Chartwells is proposing the following price increase.

Please note that the meal price has remained unchanged since August 2021.

- The price of a secondary school meal deal will increase from £2.42 to £2.65, effective 24th February 2025.
- The price of an adult meal deal will increase from £3.42 to £3.65, inclusive of VAT.

Free School Meal allowances will be adjusted automatically to reflect this change.

Secondary schools benefit from the 'Global Adventures' themed menu, offering a variety of flavours from around the world. Lewisham Council believes that the updated meal price continues to offer good value for money.

A range of two-course meal deal combinations is available daily, rotating on a three-week cycle. These include a choice of freshly prepared salads from the salad bar.

Please refer to the attached Meal Deal promotional posters for details of the available options.

We understand that this price increase may be more challenging for some families than others. If you are concerned about covering the cost of school meals, please contact your child's pastoral team in the first instance.

Kind regards,  
Mr O'Halloran

Director of Finance
