

PARENT GOVERNOR VACANCY

Parent Governor Election Results

The parent governor election closed on Monday, and we are delighted to announce that Joanne Jørgensen has been elected, receiving the highest number of votes. We look forward to welcoming Joanne to the Governing Board in due course.

We would also like to extend our sincere thanks to the six other candidates who generously put themselves forward for this important role.

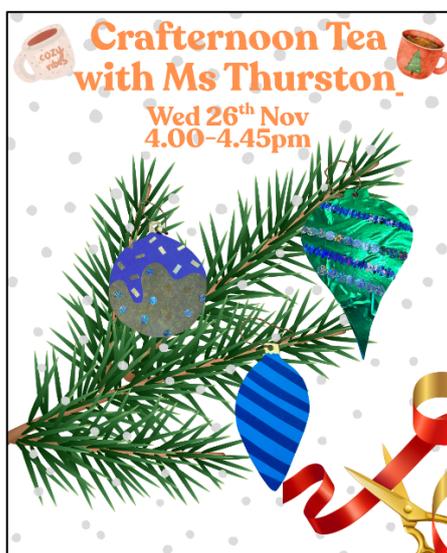

Finally, thank you to all parents and carers who took the time to read the candidates' personal statements and cast their votes. Your engagement is greatly appreciated.

These sessions are always a highlight – a warm, informal opportunity to meet the headteacher and connect with other parents, all while enjoying a relaxing Christmas craft activity and a lovely cup of tea in the school library.

Keeping Well This Winter

As the colder months set in, please encourage your child to do everything they can to stay healthy and ready for learning. Getting enough sleep, eating a balanced diet, exercising regularly, and practicing good hand hygiene all help to keep them well and in school every day.

A reminder that the end-of-term and start-of-term dates are approaching, so please avoid booking holidays during these times. Absence at the beginning or end of term means missing key learning opportunities.

Finally, as the weather turns colder, please ensure your child dresses warmly in line with our uniform policy. Hoodies are not permitted, so suitable layers and coats are essential.
