The Purpose of this talk is to
get you thinking about your

FUTURE

There are currently 46 Deptford Green students studying at
CTK

GCSE RESULTS

Your GCSE results will determine your progression pathway.

Most sixth forms and colleges will have both:

- Overall GCSE grades which determine level and pathway
- Specific entry requirements for courses

Overall GCSE Results Determine Next Level of Study

BTEC

What Ofsted says about

“Teachers ensure that lessons are lively, engaging and fun”

“Teachers’ passion for their subject motivates learners to work hard and succeed”

“A very high proportion of learners on A Level programmes achieve three A Level qualifications and progress onto higher education”

“As a result of their studies, learners are articulate, socially confident and very well prepared to take their place at the highest levels of business and academia”

GOOD NEWS STORIES

CONGRATULATIONS SHANAY

“

The environment at CTK has been amazing! I've had lots of support from my peers and teachers, which has allowed me to have many opportunities. I was a runner up in the EPQ award thanks to teachers spending extra time with me outside of lessons and offering additional learning resources, helping me get an A*!

“

I chose to study a T Level in Engineering at CTK because I wanted a course that didn't just teach theory, but gave me real-world experience. I've always been someone who learns best by doing, and this course gave me the chance to build practical skills, strong relationships and so much more!

“

My highlight at CTK has been being a student ambassador. I also loved getting my face on school posters and the school prospectus, making new friends, and going on fun school trips. I love that CTK offers a range of different courses that match different career goals, and I was able to achieve my grades with the support of my teachers - it's a really good school!
