Ofsted Report 2024

- This is a highly ambitious school. Staff share a belief that pupils can achieve excellent outcomes, whatever their starting point. Pupils rightly say that this encourages them to strive for high standards themselves.
- The school enables a purposeful atmosphere. Staff are skilled at teaching pupils the social behaviours that they need to be successful within the school and beyond.
- The school provides rich experiences that broaden pupils' cultural and character education.
- The school's carefully considered curriculum prepares pupils very well for the future.

- The school ensures that sixth form students have the prior knowledge to succeed in their courses.
- Following recent improvements, students currently in the sixth form are exceptionally well supported to achieve highly in their courses.
- Older pupils, including students in the sixth form, act as exemplary role models for strong social and learning behaviours. They are courteous, responsible and strive to achieve well.
