Dear Parent/Carers,

Firstly, I would like to say a huge thank you for supporting your child with the Pre-Public exams over the past two weeks. We have all been incredibly proud of the Year groups punctuality, attendance, and commitment to the exams. As a year group they have had limited practice in exam conditions but have managed to adapt to this way of working very quickly and we wish them all the best with the outcomes of these tests.

Their class teachers will now be busily marking and moderating papers which will be fed back to students during a formal PPE results assembly later this term.

Analysis of these results will take place and will inform teaching plans and students to target for intervention in January. Mr Ramsay will write to you later this term with further details and key dates.

A small number of students had less than expected attendance during this term and a team of senior leaders working alongside the pastoral team will meet with those students and their parents/carers next week so that we are able to ensure there is sufficient support to enable all Year 11 's to reach their full potential in their final exams in May.

Thank you once again for your full support.

Yours faithfully

Emma Thurston
