<b>Date Agreed</b>	<b>22 November 2021</b>
<b>Review Date</b>	<b>22 November 2022</b>

# 1. Aims

This policy aims to:

- › **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- › Set out **how the school will make decisions** on pupil premium spending
- › **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

# 2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2021-2022\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

- › In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

# 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

# 4. Use of the grant

It is our aim that all students at Deptford Green School make great progress regardless of their background. The key strategy to improve the outcomes of disadvantaged students is quality first teaching and excellent pastoral care through a broad and balanced curriculum. Therefore, our main strategy is simple: to ensure disadvantaged pupils make progress in line with all pupils nationally. Our imperative is to provide disadvantaged students with the access to a rich curriculum and numerous enrichment opportunities which will broaden their horizons and ignite a love of learning, turning them into life-long learners. The Pupil Premium is an additional fund of money that we receive from the government to ensure that all students are given an equal opportunity to make progress and develop the skill and attributes that will support our aspiration for successful and happy adult lives for all of our student community. To aid our curriculum and pastoral delivery, we use the research reports from Educational Endowment Fund for example in literacy, reading, transition from Year 6 to Year 7, numeracy to framework curriculum planning.

- How your spending strategy is informed by research evidence, referring to a range of sources, including the [guide published by the Education Endowment Foundation \(EEF\)](#)

- › Consider the context of the school and the main challenges or barriers your pupils face, and list some of these if appropriate
- › Use other evidence such as learning from what works in your school to inform your decisions on pupil premium spending
- › Address a wide range of needs, and take group and individual needs into account
- › Engage with parents to take their views on the needs of their child into account

Some examples of how the school may use the grant include, but are not limited to:

- › Providing extra one-to-one or small-group support
- › Employing extra teaching assistants

- › Running catch-up sessions before or after school (for example, for children who need extra help with math's or literacy)
- › Providing extra tuition where needed (for example, ahead of national assessments such as SATs or GCSEs)
- › Funding educational trips and visits
- › Funding English classes for children who speak another language

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online and using the templates on GOV.UK.

Our pupil premium strategy is available here [Pupil Premium Strategy 2020-21](#)

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online, using the templates on GOV.UK.

Information on how the school uses the pupil premium is available here: [About DGS pupil premium](#)

## 5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Year 7 to Year 11. Eligible pupils fall into the categories explained below.

### 5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### 5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. ### 5.3 Post-looked after children

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

### 5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- › With a parent serving in the regular armed forces
