Thursday 27th January

Dear parents/carers,

Re: face masks and coverings

From today 27th January 2022, the Government guidance on the mandatory wearing of face masks has changed. It is no longer mandatory to wear them in communal areas in schools, although if your child/children wish to do so they are more than welcome to.

Please be mindful that the wearing of face masks may become school policy again in certain areas, year groups or across the school community if cases significantly rise and our risk assessment deems it necessary, but you will be notified in the event of this.

Thank you for cooperation and continued support.

Kind regards,

Deptford Green School
