Dear Parents and Carers,

I am writing to inform you about the upcoming end of year examinations for students in Year 7, Year 8, and Year 9.

All students in these year groups will be sitting an end-of-year Maths exam. Please note that the paper will be a calculator paper, so students must ensure they bring a working calculator with them on the day of their exam, along with other standard equipment (pen, pencil, ruler, and rubber).

To support students in their preparation, teachers will be delivering revision lessons a week before the exam and a revision booklet will be issued as home learning on 18th May. Students are expected to complete all sections of the booklet and return it by 8th June. They must also bring their revision booklet to every Maths lesson, as it will be checked regularly in class. We recommend that students work through the booklet gradually, rather than leaving it until the last minute, and use their classwork and notes to support their revision. We also encourage parents and carers to support students in completing the booklet and revising regularly at home.

Exam Dates:

Year 8: 16th June 2026

Year 7 & Year 9: 19th June 2026

Each examination will be 1 hour and 30 minutes in duration.

If you have any questions, please do not hesitate to contact the Key Stage 3 Lead.

Email: Rbegum@deptfordgreen.co.uk

Kind regards,
Ms Rubina Begum
Key Stage 3 Lead
