

Dear Parents and Carers,

We are excited to let you know that tomorrow is the start of House Week 2026 at Deptford Green School!

House Week is an opportunity for students to come together, represent their House, enjoy some friendly competition, and raise money towards our House Champions Reward. Throughout the week, students will have the chance to take part in a range of fun fundraising activities while demonstrating our school values, particularly togetherness.

As you know, Deptford Green School is a cashless school. However, for House Week, we will offer a range of payment options, including card payments and alternative methods, to ensure students can easily participate in the activities.

All money raised during House Week will go directly towards the reward and celebration for the winning House at the end of the academic year, making every contribution count!

We are looking forward to the next few days of fun, fundraising, and House pride. Thank you in advance for your support, and we encourage all students to get involved and represent their House with pride.

Kind regards,
